# Mayor's Welcome

Welcome to the Summer Edition of the Town Council's quarterly magazine.

Peterlee is where I grew up, it's where I felt happy and safe and where most of my best memories were made, so it's an absolute honour and a privilege to be elected Mayor of Peterlee for 2024/25.

During my term of office, I would like to raise funds for the following Clubs that make outstanding contributions to improve the health and wellbeing of the Town's children and young people, whilst providing positive structures to help them develop teamwork, discipline, respect, and leadership.

Peterlee Cricket Club (Juniors)

Peterlee & Horden RFC (Youth Teams)

Peterlee Town Football Club (Youth Teams)

I would like to thank fellow Councillors for their support in allowing me this opportunity and I look forward to continuing working with the community and the residents over the coming year.

Best Wishes,

*Diane Howarth*

Councillor Diane Howarth  
Mayor of Peterlee

# Your Local Award Winning Funeral Directors in Peterlee

## What our customers say!

“There simply aren’t the words to express our Thanks to Julie & John. Over the past month Delanoys have gone above & beyond to ensure our Dad’s wishes were honoured. Dad was treated with dignity & the empathy shown towards us simply could not be matched. The knowledge & care whilst arranging our Dads final journey was a huge comfort knowing if Dad was here, it would have received his approval. From their first visit to the day of the funeral, nothing was too much. We simply cannot recommend Delanoys enough, on behalf of Joe Stout’s family, Thank You from the bottom of our hearts.”

**Review from Joseph Stout’s family,  
Horden**

“What an amazing funeral directors John and Julie are, I’ve used them on 2 occasions now and couldn’t think of ever using anyone else. The send off for Brian was absolutely incredible. From the first time John and Julie came out on the saddest day of our lives they treat us with warmth, kindness and respect. They took everything we wanted on board and went above and beyond to make the funeral one to remember. It may have been the saddest day, however it was a day no one will ever forget. From the tiny touching details to the video making. They’re always available for anything you need answering. They made this whole funeral so easy. I can’t thank them enough. I have and always will continue to recommend.

Once again thank you to you both for everything you’ve done for us.”

From Deb, Kirsty and the Noble Family  
**Review from Brian Nobles Family,  
Peterlee**

“During your saddest times Julie and John are the people you need. Julie’s incredible and genuine warmth and John’s quiet, reassuring professionalism will navigate you through this awful time.

Nothing is too much trouble and no question is too silly. Always contactable you’re made to feel like you’re their own priority.

We felt so fortunate to have found them and to have been able to entrust our mam to them. Everything was so beautifully, tastefully and respectfully orchestrated.

We could not have been more pleased with how the day went and cannot thank them enough.”

# Congratulations!

**Working in the care sector is a true vocation. Look no further for evidence of this than Bannatyne Lodge deputy manager Linzi Halliday who recently celebrated her 20-year work anniversary at the care home. Residents sent lots of good wishes and Percy was delighted to have the happy task of presenting Linzi with flowers and chocolates. "We all hope you have many more years here, you're our star," he said as he gave Linzi the bouquet.**

Starting as a part-time care assistant in 2004, Linzi took up a permanent carer role upon the completion of her studies. Three years later Linzi qualified as a senior care assistant, before being promoted to deputy manager in 2019. More recently Linzi achieved her NVQ5 in care home management and has taken on periods of managing the home.

Linzi commented, "Working at Bannatyne Lodge has, and continues to be, one of the most fulfilling aspects of my life. My passion lies with being involved in the day to day care of residents. They are all wonderful and help me make a difference each day."

Bannatyne Lodge manager Julie said, "Linzi is a real asset to the home and it was great to surprise her with a

'Hollywood walk of fame' star. Long-serving members of staff are the backbone of our home and this dedication makes a huge difference to the lives of the people who live at Bannatyne Lodge. Thank you for sharing your cake with everyone too!"

To discuss your care needs, please contact Julie on **0191 586 9511** or go to **www.hillcare.net** for more information on our lovely home.

## Wet and Wild: "Spring into Fishing" Defies the Rain!

Amidst the patter of raindrops Shotton Hall fishing pond transformed into a hub of activity on Saturday, May 4th, 2024, for the much-anticipated "Spring into Fishing" event, organised by The Angling Trust and Shotton Hall Angling Club.

Despite the less than ideal weather, there was no shortage of excitement as young novices proudly displayed their catches. Sure, the weather wasn't exactly picnic-perfect, but that didn't stop us from reeling in some beauties! From the elusive Tench to the colourful Rudd, feisty Perch to sleek Roach, and even a magnificent Common Carp, the diversity of species caught was a testament to the richness of the pond's ecosystem.

Yet, "Spring into Fishing" was more than just about the fish - it was a celebration of

camaraderie, learning, and the sheer joy of being outdoors, rain or shine!

As the day unfolded, it became evident that this event was just the beginning of a thrilling journey into the world of angling. So, if you're itching to experience the thrill of casting a line and reeling in your first catch, there are a limited number of memberships still available.

To become a member of Shotton Hall Angling Club visit Shotton Hall in person with 2 passport sized photos, and your Environmental Agency rod license. Offices are open Monday to Thursday (8.30am – 5pm) and Friday (8.30am – 4.30pm).

The annual membership fees are;- Adults: £35.00, and Juniors: 16 years and under: £10.00 each.

You can then fish as many times as you like within the year, except closed season in May. Check out the website for more information

# Dene Community

Dene Academy in Peterlee has been awarded a Community Grant by Believe Housing to support the whole school reading strategy. The grant has helped to support the purchase of a Book Vending Machine for students to access.

Miss Rochelle Charlton-Lainé, Subject Leader of SMSC said “We want to use the book vending machine to encourage 'a love of reading' across the School and this new initiative will help us to achieve our aim.”

Reading is one of our whole school priorities for this academic year, book vending machines offer an innovative way to promote access to books and is a great way to encourage a culture of reading for pleasure. Book tokens will be given as part of a reading rewards scheme. Our aim is ensure reading strategies are embedded within the curriculum to improve pupils’ reading ability. Furthermore, ensure Core CPD delivery focuses on strategies to improve pupils’ reading ability.

We will also continue to push ‘Communications’ beyond the classroom and provide students with a fully rounded literacy experience. Already, we have several extra-curricular clubs in place – a Reading Club; Newspaper Club, Homework Club and Library Club – and more will hopefully be added throughout the year.

The latter two are part of our wider aim to increase students’ awareness of the library and make it a more comfortable place, where they can quietly read, as well as play literacy-based games and complete their homework, in a quiet environment. As well as the actual library, which we continue to restock and make more aesthetically pleasing; we will also continue to push our e-library, which allows students to borrow books electronically. Lastly, the ‘D.E.A.R.’ (Drop Everything and Read) programme will be introduced early in the spring term and aims to further encourage the importance of reading across the whole school, both in and out of lessons.

Pictured is Precious Ojekale, a year 7 student who has won the first book token by completing her reading challenge.

# FurnitureClinic

care and repair

Is your furniture in need of a little care and attention?

From a dirty sofa to a scuffed bolster or a tear in your arm chair, Furniture Clinic is here to help you.

Our dedicated, friendly and professional team will visit you at a convenient time to give you a no obligation quote, and on many occasions will carry out the job in the home. If the job is more complicated, they will take the item to the workshop and return it to you when it is completed.

As well as repairs, we also provide a cheaper and faster alternative when it comes to updating your home and car's interior - we can re-upholster and re-trim leather and fabric furniture, or even carry out a complete colour change.

Re-trimming is available for both classic and modern cars. As leather specialists, we can custom match panels and seats to blend in with the rest of the leather, rather than re-trimming the full interior. This option saves you a lot of time and money, and will help retain the authenticity of a classic car.

In addition, French polishers are able to clean, repair and carry out full restorations to any wooden items.

As industry experts, Furniture Clinic serve many large national business needs, such as hotel and restaurant chains. Their diverse and respected client base means that you can feel confident knowing Furniture Clinic is the right company for you.

To find out more about we can do for your items, give us a call on **01207 282 644**.

# Peterlee Pavilion's Acro Fun and Junk to Funk Free Events: A Whirlwind of Fun and Creativity!

Peterlee Pavilion recently hosted two days of delightful activities, Acro Fun and Junk to Funk, offering children not only a chance to have fun and get creative but also ensuring they were well-nourished with a free healthy lunch.

Children showcased their agility and balance during Acro Fun, enjoying challenges and learning new skills under the guidance of instructors.

At Junk to Funk, creativity flourished as children transformed everyday items into imaginative creations.

In addition to the excitement of the activities, all participants were treated to a free healthy lunch, ensuring they had the energy to fuel their fun-filled day.

The atmosphere at the Pavilion was lively and cheerful, with parents and children alike enjoying both events.

# Commemorating King Charles III: Tree Planting Ceremony at Woodhouse Park

**On Wednesday, 15th May 2024, the former Mayor of Peterlee, Councillor Mrs. Audrey Laing, and the Howlatch Residents Association planted an English oak tree at Woodhouse Park to commemorate the Coronation of His Majesty King Charles III.**

The King's Coronation was a key event in people's lives, and what better way to honour that than by creating cleaner air and an improved natural heritage that can be enjoyed by future generations by visiting Woodhouse Park.

# East Durham College Announces New Principal Scott Bullock

The Corporation of East Durham College (EDC) is delighted to announce that Mr Scott Bullock has been appointed as the new Principal and Chief Executive Officer of East Durham College.

Mr Bullock was selected following a national search and rigorous recruitment process, culminating in an intensive two-day final selection process. He joins EDC from Newcastle College, a division of NCG – one of the largest not-for-profit education and training groups in the UK – where he has been Principal since 2020.

David Butler, Chair of the Corporation, said: "I am delighted that the Board of Governors has appointed Mr Bullock as the new Principal and Chief Executive Officer of East Durham College.

"Scott will bring a wealth of experience and has a hugely successful track record in FE (further education). Scott will take forward our highly ambitious three-year strategy plan and the Board is highly confident he will continue to build on the fantastic work of Principal Suzanne Duncan, her talented leadership team and our outstanding staff.

"The Governors, staff and students look forward to an exciting new chapter in the life of East Durham College."

Mr Scott Bullock has over 20 years of experience in FE and skills specialising in quality improvement, teaching and learning, curriculum operations and leadership. Scott joined Newcastle College in August 2016 from New College Durham as Vice Principal of Curriculum and Quality and progressed during his time at NCG into roles as Deputy Principal and most recently Principal. He also has previous experience as an Ofsted Inspector.

On his successful appointment, Scott said: "I am absolutely thrilled to have been offered the privilege of becoming the next Principal of East Durham College.

"The college has a fantastic reputation and does amazing work. I am really looking forward to working with my new colleagues to lead the college through the next stage in its development.

"I'm passionate about helping to create a brilliant student experience and supporting students to develop their skills and talents - and I can't wait to get started at EDC."

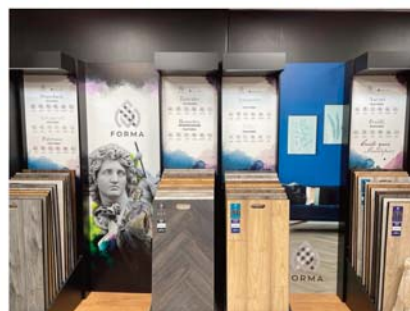

Scott will commence his new role at East Durham College from Autumn 2024.

East Durham College, which has campuses in Peterlee and Houghall, near Durham City, employs nearly 500 full and part time staff and has over 6,000 learners.

# Welcome to Katie

Welcome to Katie, 41 who owns Fizzylous in Castledene. Katies inspiration came from buying her daughter Lucy a bath bomb kit, they had so much fun they started experimenting with ideas and found it didn't react with Eczema or psoriasis. Everything is Vegan, handmade and cruelty free.

During lockdown Katie was busy making and converted her spare room as a factory, selling at markets and corporate events, this led to festivals and finally having her own shop.

Everything is made on site, and you can watch Katie at work through the window. My favourite Product is fairy rocks, this is my treat every night especially after walking my dogs Rolo and Roxy. I also love the Fairy Fluff fragrance, my home smells of it!

My best sellers are the gift sets starting at £20 but you can customise your own with what you like!

I also sell home cleaning products, home scents, bath and body products and hair care.

*Pop in and see me, I'm just next to Iceland in Yoden Way.*

# Celebrating Peterlee's Everyday Heroes:

On 26th April 2024, Peterlee gathered at the Peterlee & Horden Rugby Club to honour its unsung heroes. These are the folks who quietly make our community better, whether by lending a hand to neighbours or spearheading local projects. The former Mayor of Peterlee, Councillor Audrey Laing handed out trophies, thanking them for their kindness and urging others to follow suit. It was a feel-good celebration of what makes Peterlee such a great place to live.

The former Mayor expressed her heartfelt thanks to everyone involved in making this event happen. From the organisers who put it all together to the nominees who inspire us every day, and to all the friends, family, and supporters who came out to show their appreciation – you all made this celebration truly special. Your dedication to recognising and

honouring the unsung heroes of Peterlee is what makes our community so strong. Let's continue to support each other as we strive to make Peterlee an even better place for everyone.

In Peterlee, heroes aren't just in movies – they're right here in our community, making a difference every day.

## Method

### For the mousse:

- Pulse raspberries in a food processor / hand processor until well pureed. Force puree through a fine mesh strainer into a bowl to remove seeds (you should have 1 1/3 cups puree). Set aside.
- Pour 3 Tbsp water into a small microwave safe bowl, sprinkle gelatine evenly over water then let rest 5 minutes.
- Heat gelatine mixture in microwave on high power for 30 seconds. Remove and whisk for 1 minute, let cool 4 minutes until just warm (don't let it cool completely or it may start to set).
- Between stages of gelatine resting prepare whipped cream and cream cheese mixture as listed here - In a medium mixing bowl using an electric hand mixer whip double cream on high speed until soft peaks form. Alternatively use a hand whisk.

- Add in 1/4 cup icing sugar and whip until stiff peaks form (just shake excess from whisk blades, no need to wash for next step).
- In a separate large mixing bowl using hand mixer if you have one, blend cream cheese and 2 cups icing sugar until combined. Add in vanilla and red food colouring if using (around 14 drops liquid colouring) and mix until combined.
- Increase to high speed and whip until light and fluffy about 2 minutes. Mix in strained raspberry puree and add in lukewarm gelatine/water mixture and mix until well combined.
- Fold in 1/3 of the whipped cream mixture, then add remaining and fold just until combined. Transfer to refrigerator while preparing crust layer (don't chill longer than 30 minutes you don't want it to set).

### For the crust:

- In a medium mixing bowl stir together digestive crumbs and sugar. Pour in butter and using a fork, stir until evenly moistened. Divide mixture among 10 dessert cups and lightly press into an even layer.
- Working in batches add mousse to a piping bag fitted with a large round tip and pipe over crust layer in cups. Repeat with remaining mousse. Cover cups with plastic wrap and chill in refrigerator 3 hours until set.
- Optional toppings: In a medium mixing bowl using an electric hand mixer whip double cream until soft peaks form, add in sugar and whip until stiff peaks form.
- Transfer to a piping bag fitted with a large star tip then pipe cream over mousse. Add 1 - 2 raspberries to each then garnish with mint leaves.

# Nail Polish Marble Art

You can upcycle just about anything with this DIY marbled art. This DIY can be used to decorate plates, bowls, coasters, glasses, bottles and LOTS more!

Marble designs are very easy to achieve, require no maintenance, all while giving your home a vibrant and unique makeover!

## What you need:

- Nail polishes
- Large bowl of warm water (Ideally glass)
- Wooden cocktail sticks / skewers
- PVA glue
- Paint Brush
- Cotton buds
- Items you wish to upcycle (We used a glass)

## Directions:

1. Before starting put an old towel or cloth down to protect your work surface.
2. Place your large bowl onto the towel and fill with warm water.
3. Choose the nail polish colour and slowly start to pour it into the bowl until it starts to disperse onto the surface of the water. Hold the nail polish close to the water to prevent it from sinking to the bottom of the bowl. Add as many colours as you like.
4. Use your wooden stick / skewer to move the polish around the water to create your marbling effect. There are no rules when it comes to marbled art, so you can be as colourful and creative as you wish.
5. Gently dip your object into the bowl to cover the desired portion of it with nail polish. You will immediately see the nail polish adhering to the sides of it in a beautiful pattern.
6. Hold it in for a few seconds to allow the pattern to properly stick to the object.
7. Pull your object straight out of the water and there you have it!
8. Use your cotton bud soaked in nail polish remover to clean any residue off the bowl or any rough edges or excess colour on your chosen object.
9. Set your object to the side to allow time to dry.
10. To stop your pattern from smudging, coat your object with a generous amount of PVA glue using a large paintbrush. This will seal your painted surface.
11. Leave to dry for a few hours, and voila!

# East Durham Trust

## East Durham Connected

Funded by the National Lottery Community Fund, East Durham Connected is a four-year project to transform information, advice and guidance (IAG) services across East Durham. A partnership of VCS organisations and statutory providers to deliver a proactive 4-year programme. The project will create a truly coordinated and connected referral and support system and network across all four corners of East Durham to better meet the complex needs of our vulnerable communities. A community based, integrated advice service run by and for communities; with the advice sector working in partnership with communities, committed to continually learning, improving and evolving.

The idea is to have a “No Wrong Door” approach to advice and guidance within East Durham. This means that no matter which IAG organisation a client goes to they will be given the same information and advice. With this in mind we give our partners regular updates and keep everyone informed of the latest guidance.

We run a Co-Production Group which meets quarterly. This group is made up of clients who have accessed our services and gives us the “real world” experience of how it is to live in the local area and have received support from the project. They are at the heart of shaping how the project develops and progresses going forward. Not only do they advise us on how effective the project is they also give us tips on how we can make improvements.

As part of the Household Support Fund we launched several new avenues for support through the IAG project during Year 2. Quite possibly the most successful was the School Essentials scheme. This saw 148 households and 281 children across 2 towns and 13 villages receive support totalling £37,500. This was help towards school uniforms and coats.

We are now into year 3 of the project and are still going strong and evolving all the time. This year alone we have brought 4 new organisations into the partnership and are continuing to help the communities in a number of ways with various schemes.

Our partners themselves have also formed connections with each other and are working more closely together. They regularly help each other out with problem solving or simple advice should one of the

organisations have an issue, such as help with funding applications.

We currently have the following organisations in the partnership.

- 3 Digital Advice Hubs
- 3 Advice Hubs
- 15 Advice Gateways

The vast majority of villages and both towns in East Durham are represented.

During year 2 alone there were 9641 interventions to support 8169 clients, 70% of which came through this partnership.

The project is going from strength to strength and has surpassed all expectations. The need for advice and guidance has never been more prominent with the recent cost of living crisis and the unique issues faced within the East Durham area.

## Food Bank Needs Your Help!

It has been a very busy time for the East Durham Trust Foodbank. In the first half of the year the foodbank has supported nearly 4000 households, with many of these in Peterlee. This is a huge increase in need. Unfortunately, as the cost of living continues to impact us all community partners across East Durham are finding the same pressures around not just food but Toiletries; Sanitary products and washing pods. Any donations of these would be greatly received to ensure we support people to retain their health and dignity during the time they need our support. To support people in need East Durham Trust, welcome any donations of food and toiletries. You can make a cash donation in person at Community House, Yoden Road or online via their website [www.eastdurhamtrust.org.uk](http://www.eastdurhamtrust.org.uk)

## Area Action Partnership funds Household Finance Practitioner

East Durham Trust are delighted to announce that the East Durham Area Action Partnership have awarded funding for a new role to help struggling households. After a recruitment campaign the Trust has appointed Gergia Miller and their Household Finance Practitioner.

Georgia joins East Durham Trust and an employee following on from her previous volunteer role with East Durham Trust as a Specialist Debt Adviser as well as her extensive experience in banking.

Funded by the Area Action Partnership the role aims to work closely supporting & coaching individuals & families in East Durham for a period of eight sessions to look at life skills, budgeting, household management, savings, money management & other areas.

Georgia will work with NE First Credit Union and the AAP to combat illegal lending & promote effective credit & savings, referring into existing mechanisms for additional support with financial & emotional wellbeing.

This targeted work will be underpinned by connections to all of our local partners alongside East Durham Trusts Financial Wellbeing Practitioner, Kylie Austin, who has supported households under the project around debt & benefits with East Durham Trust for over 2 years. Since 2022 East Durham Trust has supported households across East Durham which has included :

- Debts cleared of £692,118.77
- Benefits claimed of £107,031.80
- Greggs Hardship funds grants of £16,155.00

# “Diabetes Prevention Weight Management Programme Worked for Rhys”

**‘Taking Shape’ is a new 6-week weight management pilot for Peterlee & East Durham residents living with Type 2 Diabetes or diagnosed with pre-diabetes. The programme was designed in collaboration with Public health (Durham County Council), NHS staff and partners.**

The course covers practical advice on healthy eating combined with light exercise, and was based on educating participants to use a ‘Smarter carb’ eating pattern. Practical tips were provided along with meal ideas and recipes to help incorporate a mix of healthy protein, and fibre options into their day. Along with, enabling them to feel empowered to make informed decisions when shopping or dining out.

Participants showed by the final week of the programme they had made major shifts in their daily routines, and reported higher levels of wellbeing and health results.

Michael, an NHS Health & Wellbeing Coach, delivered the courses and was very pleased with the results. Michael has offered each participant one to one support for up to 12 months after the course has ended. This can help the residents maintain their healthier habits and continue to improve wellbeing.

Participants were recruited to the courses by a referral process through their GP Practices that Michael works with, and by referrals from Peterlee Town Council Sport and Wellbeing staff.

The programme; funded by Tyne & Wear Community Foundation and provided by Peterlee Town Council in partnership with Public Health and the NHS, has had positive results and has been well received by all who attended.

Meet Rhys, one of the successful participants who took part in the Taking Shape programme supported by a family member. Rhys is a 23-year-old male living with learning difficulties and type 2 diabetes. Rhys was happy that the course was delivered by Michael, as he took on board what he was being told, whereas at home he thought his family members were just nagging him. Rhys enjoyed doing the light exercises as they were pitched at the right level and intensity for him.

The education from Michael and the support from his family members has led to Rhys losing almost a stone in weight, and even more importantly, his blood sugar levels have improved greatly. Since the end

of the course Rhys has continued with his gradual weight loss journey and maintained his excellent sugar readings. The support and guidance have been life-changing for Rhys.

There will be another Taking Shape course starting soon at the Pavilion. To find out more information, please contact Pavilion reception on **0191 5869957**.

# Local Park Tennis courts in Peterlee set to re-open this Summer

Peterlee Town Council and the Lawn Tennis Association (LTA) in partnership have brought new life into the local park tennis courts at Eden Lane Park. The project has seen £13,861 of investment into the public park facility. Investment comes from the UK Government and LTA Tennis Foundation's Park Tennis Project, being delivered by the LTA. The investment will help ensure that quality facilities are available for the local community.

The project is part of a nationwide investment by the UK Government and LTA Tennis Foundation, delivered by the LTA, to refurbish public tennis courts across Great Britain, and open up the sport to many more people. This investment will see thousands of existing park tennis courts in poor or unplayable condition brought back to life for the benefit of communities across the country through renovation works, and improved court accessibility with new gate-access technology and booking systems.

Park tennis courts are vital in providing opportunities for children and adults to get active, delivering significant physical and mental health and wellbeing benefits to participants. Accessible facilities in parks are particularly critical to opening up the sport to those from lower socioeconomic backgrounds and women and girls.

Alongside the investment, Peterlee Town Council will also work with the LTA to deliver a range of activity across the park sites. This will include weekly organised free park tennis sessions for all ages, playing levels and experience where equipment is provided, meaning that people will not need someone to play with or their own racket. Local Tennis Leagues will also provide friendly, sociable, opportunities to get active through local competition.

The renovation works are almost complete at Eden Lane Park and the facility will be re-

opening next month and available to book online.

Diane Howarth; Mayor of Peterlee said....

*"The investment from the LTA has been well received and enabled the upgrade of facilities that have been subject to misuse and vandalism over the years. The new gate access system will ensure the courts are used for their intended purpose, and the facility will be accessible to everyone".*

Julie Porter, Chief Operating Officer at the LTA, said:

*"We are delighted to be working with Peterlee Town Council to improve their park tennis facilities and provide more opportunities for anyone to pick up a racket and get active. This investment is part of the UK Government and LTA's Parks Tennis Project, and will mean that courts will be available for people to use for years to come. We will also be working closely with Peterlee Town Council to ensure that the local community have a range of accessible opportunities to get on court, and open up our sport to many more people."*

Look out on social media for the Park Tennis launch event coming soon.

# Easington School Sport Partnership

**Active Healthy Happy**

## Outdoor Adventurous Activities

Three-hundred children from primary schools across East Durham attended an **Outdoor Adventurous Activity Day at Shotton Hall, on Tuesday 21 May 2024.**

Shotton Hall was the perfect venue for the wide range of activities on offer as children experienced orienteering, obstacle courses, a nightline, team building tasks and

activities that tested their fitness and skills.

Planning and preparation for this event is by far the heaviest of any activities that appear on the Easington School Sport Partnership calendar, but it is made all worthwhile by the smiles on the faces of the children and the positive comments received from school staff.

This huge operation is only possible with the support of many people and the School Sport Partnership is grateful to Peterlee Town Council Neighbourhood Services team, East Durham College PE and Sport staff and students, and all volunteers.
